

PATENT

AMENDMENTS TO THE CLAIMS

Emend
rns
1/9/5

Following is a complete set of claims as amended with this Response. This complete set of claims excludes cancelled claims 1, 3-5, 7-9, 11, and 12.

1. (Cancelled)
2. (Previously Presented) A method of implanting a cardiac lead, the method comprising:
 - advancing the lead to a site; and
 - after advancing the lead, manipulating an identifier on the lead in a manner based on the site;
 - wherein manipulating comprises removing a first identifier from the lead so that a second identifier remains on the lead.
3. (Cancelled)
4. (Cancelled)
5. (Cancelled)
6. (Previously Presented) A method of implanting a cardiac lead, the method comprising:
 - manipulating an identifier on the lead in a manner based on an intended site; and
 - after manipulating the identifier, advancing the lead to the intended site;
 - wherein manipulating comprises removing a first identifier from the lead so that a second identifier remains on the lead.
7. (Cancelled)
8. (Cancelled)
